

## SCF Easter Flowers

Please write a check, pay online via the church website, or pay in cash for your plants. Attach cash or check with clip and place in the collection box. If paying online, please indicate that the money is for flowers and indicate below that you are paying online. Please take your flowers home on Easter or have someone take them for you. If you place your order before March 15<sup>th</sup>, you are more likely to get the specific color you want. The last day to order flowers is March 22<sup>th</sup>. We use Cauley's in Fitchburg. Please write your name at the bottom, so that you get your flowers. Happy Easter!
